

NEW *from* **KNOPF DOUBLEDAY**

JAPAN 1941

Countdown to Infamy

Eri Hotta

"Hotta illuminates the extraordinary ideological and military predicament in which Japan found itself in the months before the attack on Pearl Harbor. . . . [She] brings to life the key figures of a deeply divided Japanese leadership . . . [and] scrupulously details [their] negotiations and squabbles . . . against a backdrop of dauntingly complex domestic and international maneuverings."

—*The New Yorker*

Knopf | Cloth | 352 pages | \$27.95

AMERICAN FUN

Four Centuries of Joyous Revolt

John Beckman

"John Beckman's *American Fun* is a raucous, frequently dazzling tour through the country's wild and crazy side, the joyous out-of-control culture that, as he writes, 'flouts couth.' In an age of bleak spectacle, Beckman reminds us in living color that 'folk fun' and 'coarse civility' are deep in the American grain. At once learned, thrilling, splendidly written and wicked smart, this is the best book I've read about popular culture in ages—or ever."

—Todd Gitlin, author, *The Sixties: Years of Hope, Days of Rage*

Pantheon | Cloth | 432 pages | \$28.95

GANDHI BEFORE INDIA

Ramachandra Guha

The first volume of a revelatory biography that takes us from Mohandas Gandhi's birth in 1869 through his upbringing in Gujarat, his two years as a student in London, and his two decades as a lawyer and community organizer in South Africa. Ramachandra Guha has uncovered a myriad of previously untapped documents and using this wealth of material in a brilliantly nuanced narrative, he describes the social, political, and personal worlds in which Gandhi began his journey to become the modern era's most important and influential political actor.

Knopf | Cloth | 688 pages | \$35.00

THE SNOWDEN FILES

The Inside Story of the World's Most Wanted Man

Luke Harding

"[*The Snowden Files*] gives readers, who have not been following the Snowden story closely, a succinct overview of the momentous events of the past year. . . . Leave[s] readers with an acute understanding of the serious issues involved: the N.S.A.'s surveillance activities and voluminous collection of data, and the consequences that this sifting of bigger and bigger haystacks for tiny needles has had on the public and its right to privacy." —Michiko Kakutani, *The New York Times*

Vintage | Paper | 352 pages | \$14.95

SELECTED SPEECHES AND WRITINGS OF THEODORE ROOSEVELT

Edited by Gordon Hutner

"Drawing on his expertise in the politics and culture of the Gilded Age and the Progressive Era and his legendary editorial skills, Gordon Hutner has managed to capture the complexity, creativity, contrariness and combativeness of Theodore Roosevelt, one of our nation's most important politicians and men of letters."

—Glenn Altschuler, Cornell University

Vintage | Paper | 384 pages | \$16.95

MENACHEM BEGIN

The Battle for Israel's Soul

Daniel Gordis

"Menachem Begin was a man of great contradictions, and Gordis's biography captures all of them in a remarkable manner. It deals in a brilliant way with the complex personality and heritage of Israel's sixth prime minister. . . . Begin is a man of flesh, blood, mind, and soul, a multi-dimensional historic figure who made a vast contribution to the founding of the Jewish state and to the way it has redefined itself in recent decades."

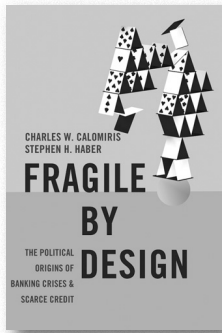

—Ari Shavit, author of *My Promised Land: The Triumph and Tragedy of Israel*

Schocken | Cloth | 320 pages | \$27.95

Politics from Princeton

Fragile by Design

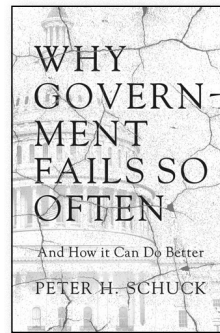

The Political Origins of Banking Crises and Scarce Credit

Charles W. Calomiris & Stephen H. Haber

“A seminal political economy analysis of why banking varies so much across countries, with such profound consequences for economic development and social welfare. Not just fascinating and original, but also right.”

—James Robinson, author of *Why Nations Fail*

Cloth \$35.00 978-0-691-15524-1

Why Government Fails So Often

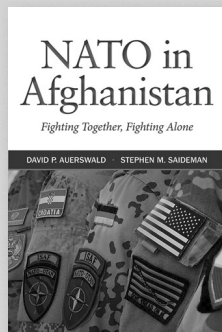

And How It Can Do Better

Peter H. Schuck

“This is an extraordinarily interesting book that has the potential to be unusually influential. It avoids the pitfalls of ideological rigidity, covers an amazing array of government programs, relies on extensive empirical evidence, and provides rich analysis. The book’s range and detail allow it to look at problems that are endemic to government policymaking.”

—R. Shep Melnick, Boston College

Cloth \$27.95 978-0-691-16162-4

NATO in Afghanistan

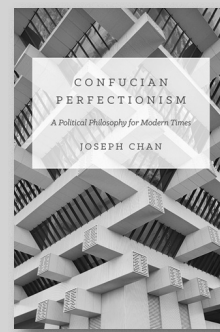

Fighting Together, Fighting Alone

David P. Auerswald & Stephen M. Saideman

“A significant contribution to our understanding of an important case of coalition warfare. Auerswald and Saideman provide an excellent account of NATO, how it works in operational settings, and the way in which the domestic politics of its various members and partners have complicated efforts at coordination in Afghanistan. The empirical material in this book is outstanding.”

—Deborah D. Avant, author of *The Market for Force*

Cloth \$35.00 978-0-691-15938-6

Confucian Perfectionism

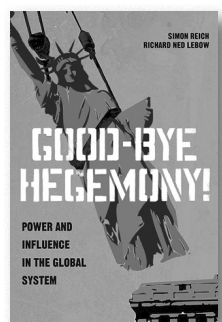

A Political Philosophy for Modern Times

Joseph Chan

“Joseph Chan is one of the most sophisticated and insightful people working not only to understand traditional Confucian political philosophy but also to develop it as a powerful and attractive view for the modern world.”

—Philip J. Ivanhoe, City University of Hong Kong

Cloth \$35.00 978-0-691-15861-7

Good-Bye Hegemony!

Power and Influence in the Global System

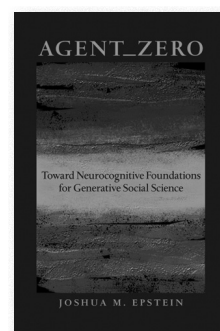

Simon Reich & Richard Ned Lebow

“In this thought-provoking and sobering narrative, Reich and Lebow take direct aim at the international relations establishment, arguing for the limits of material power and the importance of legitimacy in gauging America’s global influence.”

—James Goldgeier, American University

Paper \$24.95 978-0-691-16043-6

Cloth \$95.00 978-0-691-16042-9

Agent Zero

Toward Neurocognitive Foundations for Generative Social Science

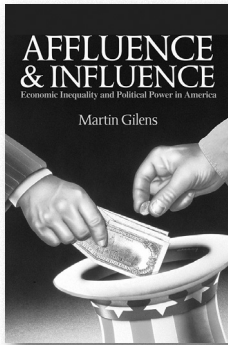

Joshua M. Epstein

“Rarely has a book stimulated me intellectually as much as this one. Particularly exciting is the incorporation of agents who feel (affect) and deliberate, as well as influence one another through social interaction. Epstein is a brilliantly creative scholar and the range of applications showcased here is stunning. In sum, this is a pathbreaking book.”

—Paul Slovic, University of Oregon

Cloth \$49.50 978-0-691-15888-4

Politics from Princeton

Affluence and Influence

Economic Inequality and Political Power in America

Martin Gilens

“The best book in decades on political inequality. . . [A] major step forward in the scientific study of political inequality in America.”

—Larry Bartels, *Monkey Cage blog*

“This book is already being hailed as a landmark study of American political representation.”

—Thomas Ferguson, *Perspectives on Politics*

Paper \$24.95 978-0-691-16242-3

Copublished with the Russell Sage Foundation

Listen, this book isn't actually written by **Cass R. Sunstein** and it isn't really titled **On Rumors**

That's what they want you to think! Don't believe them for a second when they say it's about *How Falsehoods Spread, Why We Believe Them, and What Can Be Done*. This is all a bunch of empty, wordless pages just to fool you into giving them more money (as if they needed more). But that's not even the worst part.

On Rumors

How Falsehoods Spread, Why We Believe Them, and What Can Be Done

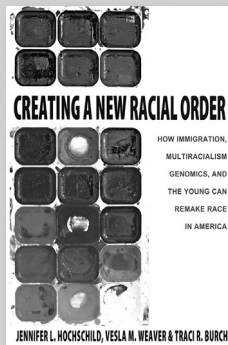

Cass R. Sunstein

With a new afterword by the author

“It's revealing how easily and blindly we accept rumors, Sunstein's book is likely to make readers think twice before believing or repeating the next bit of gossip that comes through the grapevine.”

—Sarah Halzack, *Washington Post*

Paper \$14.95 978-0-691-16250-8

Creating a New Racial Order

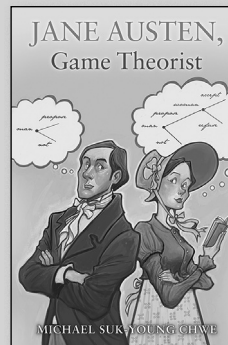

How Immigration, Multiracialism, Genomics, and the Young Can Remake Race in America

Jennifer L. Hochschild, Vesla M. Weaver & Traci R. Burch

“This is a wide-ranging exploration of how America looks, thinks, and lives in terms of race as we go into this new millennium. Bridging political science, sociology, and the burgeoning study of DNA, the authors show us that racial order remains one of the most reliable ways of organizing our past and present as Americans, even as that order is dynamic and transformed over time.”

—Henry Louis Gates Jr., Harvard University

Paper \$19.95 978-0-691-16093-1

Jane Austen, Game Theorist

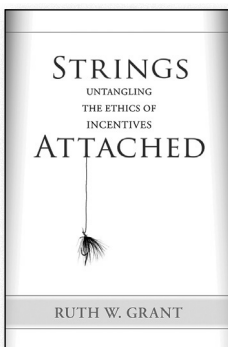

Michael Suk-Young Chwe

With a new afterword by the author

“Chwe argues that Austen isn't merely fodder for game-theoretical analysis, but an unacknowledged founder of the discipline itself: a kind of Empire-waisted version of the mathematician and cold war thinker John von Neumann, ruthlessly breaking down the stratagems of 18th-century social warfare.”

—Jennifer Schuessler, *New York Times*

Paper \$22.95 978-0-691-16244-7

Strings Attached

Untangling the Ethics of Incentives

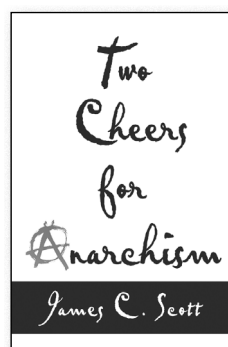

Ruth W. Grant

“A thoughtful . . . look at the encroaching power of the market and its mechanisms in a range of human activity. What does it mean to see life as a series of transactions? The question is relevant far beyond the book's specific examples.”

—Nancy F. Koehn, *New York Times*

Paper \$19.95 978-0-691-16102-0

Copublished with the Russell Sage Foundation

Two Cheers for Anarchism

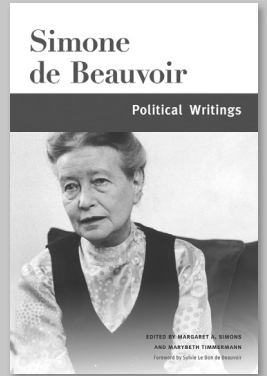

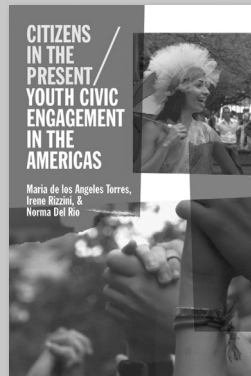

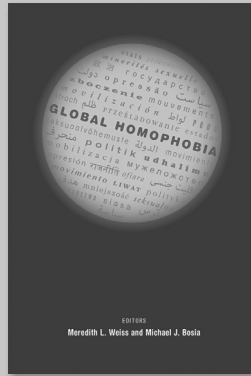

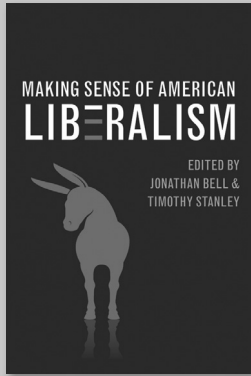

Six Easy Pieces on Autonomy, Dignity, and Meaningful Work and Play

James C. Scott

“*Two Cheers for Anarchism* deserves more than two cheers in review because Scott usefully expands the vocabularies that leaders and managers need to have around the critical issues of power, control, and resistance.”

—Michael Schrage, *Fortune*

Paper \$17.95 978-0-691-16103-7

Making Sense of American Liberalism

Edited by JONATHAN BELL and TIMOTHY STANLEY

"With the proliferation of scholarly monographs on the conservative movement, this volume's serious engagement with U.S. liberalism is surprisingly refreshing. Highly Recommended."—*Choice*

Black Women and Politics in New York City

Gallagher has written an insightful, in-depth narrative and analysis of the interconnectedness of race and gender discrimination in U.S. society. An important contribution to both black women's history and New York State's political history. Highly recommended."—*Choice*

Paperback \$28.00; Ebook
Women in American History

Global Homophobia

States, Movements, and the Politics of Oppression

Edited by MEREDITH L. WEISS and MICHAEL J. BOSIA

While homophobia is commonly characterized as individual and personal prejudice, this collection of essays instead explores homophobia as a transnational political phenomenon.

Paperback \$25.00; Ebook

Man of Fire

Selected Writings
ERNESTO GALARZA

Edited by Armando Ibarra and Rodolfo D. Torres

Gathers key writings of activist, labor scholar, and organizer Ernesto Galarza (1905–1984) on topics including community development, immigration politics (including the Bracero Program), the Chicano movement, Mexican American education, and U.S.-Mexico relations.

Hardcover \$65.00; Ebook
A *Choice* Outstanding Academic Title
The Working Class in American History

Citizens in the Present

Youth Civic Engagement in the Americas

MARIA DE LOS ANGELES TORRES, IRENE RIZZINI, and NORMA DEL RÍO

This innovative comparative study provides nuanced accounts of the personal experiences of young people who care deeply about their communities and are actively engaged in a variety of public issues in the cities of Chicago, Mexico City, and Rio de Janeiro.

Paperback \$25.00; Ebook

No Votes for Women

The New York State Anti-Suffrage Movement

SUSAN GOODIER

Makes the case that many of New York state's anti-suffrage leaders were educated and professional women who sincerely believed that women could only advance by remaining distinct from men and maintaining their own sphere of influence.

Paperback \$25.00; Ebook
Women in American History

Loser Sons

Politics and Authority
AVITAL RONELL

"The area of literature, politics and economics is a growing interdisciplinary field of study. Avital Ronell's new book is an important contribution to this newly evolving aspect of literary theory. . . . Ronell has written a beautiful and timely book in support of the highly underrated and immeasurable zero position."—*Political Studies Review*

Paperback \$25.00; Ebook

Political Writings

SIMONE de BEAUVOIR

Edited by Margaret A. Simons and Marybeth Timmermann. Foreword by Sylvie Le Bon de Beauvoir

"Rich and illuminating. . . . A fascinating chart of a brilliant mind struggling to bridge the divide between rarified abstract thinking and concrete social engagement."—*Publishers Weekly*

Hardcover \$42.00 | *The Beauvoir Series*

Intelligently Designed

How Creationists Built the Campaign against Evolution

EDWARD CAUDILL

Tracing the growth of creationism in America as a political movement, this book explains why the particularly American phenomenon of anti-evolution has succeeded as a popular belief. Caudill shows how creationists have appealed to cultural values such as individual rights and admiration of the rebel spirit, thus spinning creationism as a viable, even preferable, alternative to evolution.

Paperback \$25.00; Ebook

Metropolitan Resilience in a Time of Economic Turmoil

Edited by MICHAEL A. PAGANO

"Offers a coherent focus on local capacities for adaptation and change in dealing with core issues such as infrastructure, pensions, economic vitality, social safety nets, and collaborative initiatives."—Susan E. Clarke, coeditor of *The Oxford Handbook on Urban Politics*

Paper \$20.00; Ebook | A volume in the series *The Urban Agenda*

THE SENATE SYNDROME

The Evolution of Procedural Warfare in the Modern U.S. Senate

By Steven S. Smith

\$39.95 HARDCOVER · 408 PAGES · 25 B&W ILLUS., 13 FIGURES

With its rock-bottom approval ratings, acrimonious partisan battles, and apparent inability to do its legislative business, the U.S. Senate might easily be deemed unworthy of attention, if not downright irrelevant. This book tells us that would be a mistake. Because the Senate has become the place where the policy-making process most frequently stalls, any effective resolution to our polarized politics demands a clear understanding of how the formerly august legislative body once worked and how it came to the present crisis. Steven S. Smith provides that understanding in *The Senate Syndrome*.

DISCONNECT

The Breakdown of Representation in American Politics

By Morris P. Fiorina, with Samuel J. Abrams

\$24.95 PAPERBACK · 272 PAGES · 47 B&W ILLUS.

Red states, blue states . . . are we no longer the United States? In *Disconnect*, Morris P. Fiorina examines today's party system to reassess arguments about political polarization while offering a cogent overview of the American electorate.

Drawing on polling results and other data, Fiorina examines the disconnect between an unrepresentative "political class" and the citizenry it purports to represent, showing how politicians have become more polarized while voters remain moderate. *Disconnect* helps readers better understand the political divide between leaders and the American public—and helps steer a course for change.
