Recherches Economiques de Louvain
Institut des Sciences Economiques
place Montesquieu, 3 - 1348 Louvain-la-Neuve

Authors are kindly requested to adhere to the following rules:

1° Bibliographical references:

- a) indicate in the text the name of the author followed by the year of publication in brackets [for example: Smith (1969)];
- b) all references should be collected at the end of the paper. Underline the name of the book or of the review (not abbreviated).

For example:

Brown, J.R. (1970), **Economic Theory**, Un. Press, Louvain.
Smith, L.P. (1969), The Effects of Inflation on the Distribution of Income, **American Economic Journal**, Vol. 51, n° 1.

2° Important formulas should be numbered consecutively. These numbers should be written in brackets at the right-hand side of the page.

3° Foot-notes should be referred to by numerical superscripts and collected on a separate sheet.
