

**Adventism and
the American Republic**

THE PUBLIC INVOLVEMENT OF
A MAJOR APOCALYPTIC MOVEMENT
Douglas Morgan

With a Foreword by Martin E. Marty
Douglas Morgan examines the role that
Seventh-Day Adventism has played in
American public life and explains its posi-
tions from the standpoint of the church's
historical development.

288 pages, illus., ISBN 1-57233-111-9, \$32.00

Spiritual Merchants

RELIGION, MAGIC, AND COMMERCE
Carolyn Morrow Long

The author investigates the shops around
the country that supply ritual items, mate-
rials for making charms, soaps, powders,
and aromatic goods to the practitioners of
Voodoo, Santería, and similar beliefs. "Ab-
sorbing. . . . This is a well-written, infor-
mative study."—*Publishers Weekly*

A Separate Circle

JEWISH LIFE IN KNOXVILLE, TENNESSEE
Wendy Lowe Besmann

For 135 years, the Jews of East Tennessee
have maintained the rituals and traditions
that define them as a separate people,
even as they have managed to blend qui-
etly with non-Jewish neighbors. In this
book, Wendy Lowe Besmann examines
the history of this community and its
complex bonds of kinship, religion, ethics,
and culture. "An insightful and well-writ-
ten book. One of the best studies of local
Jewish history extant."—Leonard
Dinnerstein, University of Arizona

Recalling Religions

RESISTANCE, MEMORY, AND CULTURAL
REVISION IN ETHNIC WOMEN'S
LITERATURE

Peter Kerry Powers

"Each chapter reveals anew how insepa-
rable history, culture, religion, and gender
are, and reawakens one's admiration for
the novel as a resource for self-under-
standing and self-creation in the hands
of such brilliant practitioners as Walker,
Silko, Ozick, and Kingston."—Jane
Tompkins, University of Illinois at
Chicago

The Black Spiritual Movement

A RELIGIOUS RESPONSE TO RACISM
SECOND EDITION

Hans A. Baer

In this new edition of a groundbreaking
work, Hans Baer explores the richness of
Black Spiritual churches and shows how
they juxtapose elements of protest and
accommodation in response to racism and
class stratification in U.S. society. "A thor-
ough, well-documented ethnography."

ORIGINS, BELIEFS, AND RITUALS
OF AN AFRICAN-AMERICAN RELIGION
Claude F. Jacobs and Andrew J. Kaslow

"Historically, African American religion
has served both as an organizing factor for
the community and as an instrument of
opposition to European American domi-
nation. Jacobs and Kaslow's account of
Spiritual Churches indicates that African
Americans have carried on this tradition
into the late twentieth century through a
faith that exhibits strong ties to and
echoes from the African past."—*Critical

Religions of the United States in Practice

Edited by Colleen McDannell

This is a rich anthology of primary sources with accompanying essays. Volume 1 explores faith through action from Colonial times through the nineteenth century. Volume 2 ranges across the twentieth century. Accompanying each primary document is an essay that sets the religious practice in its historical and theological context—making this volume ideal for classroom use and accessible to any reader.

Business of the Heart

Religion and Emotion in the Nineteenth Century

John Corrigan

"This is an important contribution to American religious and cultural history. Corrigan draws together interpretive angles from social, intellectual, and religious history, as well as from the emergent field of the history of the emotions, in which he is doing path-breaking work."

—Peter W. Williams, Distinguished Professor of American Studies and Comparative Religion, Miami University

\$40.00 cloth

The Lure of the Edge

Scientific Passions, Religious Beliefs, and the Pursuit of UFOs

Brenda Denzler

"A definitive scholarly exploration of the UFO movement and community, as well as a fascinating book on the conceptual, religious, and scientific margins of modernity as we know it. Denzler has written a truly enjoyable book for both the scholar and the curious observer."

—Massimo Introvigne, Managing Director, The Center for Studies on New Religions, Torino, Italy

\$35.00 cloth

From Genesis to Genetics

The Case of Evolution and Creationism

John A. Moore

"I know of no book that explains the evolution/creation controversy in such a comprehensive manner, and yet in a style that will be understood by high school students. It demarcates those areas of thought that belong to faith-supported religion on the one hand, and reason-supported science on the other without denigrating either."

—Richard E. Dickerson, UCLA

\$27.50 cloth

Mama Lola

A Vodou Priestess in Brooklyn

Karen McCarthy Brown

Updated and Expanded Edition

"An engaging, detailed, and sympathetic account of the world of Haitian Vodou.

Brown has used a variety of interesting, and even daring, techniques to make that world come alive."

—Eugene V. Gallagher,
Journal of the American Academy of Religion

Winner, Victor Turner Prize in Ethnographic Writing from the American Anthropologist Association; American Academy of Religion Award for Best First Book in the History of Religion, 1991 Comparative Studies in Religion and Society, \$18.95 paper

The Catholic Imagination

Andrew Greeley

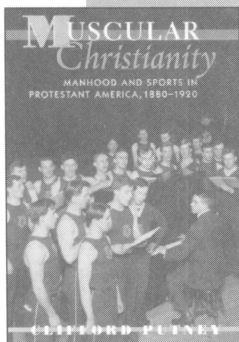

***New in Paperback*—"A perceptive examination of the prominent role played by ritual, imagination, and spirituality in the everyday lives of both practicing and nonpracticing Catholics."**

Muscular Christianity
*Manhood and Sports in
Protestant America, 1880-1920*
Clifford Putney

"Long relegated to occasional academic journal articles and mediocre, hagiographic books, the relationship between Protestantism and sports in America now has the definitive treatise the topic has long deserved... If historians will find Putney's revisions fascinating, the general reader will also be riveted by the story he tells; his prose is as vigorous as his subject matter; and the anecdotes he scatters liberally throughout the book are captivating."

—*Publishers Weekly*

\$39.95 cloth

Beloved Strangers
*Interfaith Families in
Nineteenth-Century America*
Anne C. Rose

In the first historical study of religious diversity in the home, Anne Rose draws a vivid picture of interfaith marriages over the century before World War I, their problems and their social consequences. Following them over several generations, Rose tracks the experiences of twenty-six interfaith families who recorded their thoughts and feelings in letters, journals, and memoirs. Rose's family-centered look gives new insight on American society in a period when it was becoming more open, more diverse, and less community-bound.
