## Shakespeare and the Geography of Difference

JOHN GILLIES

In this engaging book, John Gillies explores Shakespeare's geographic imagination, and discovers an intimate relationship between Renaissance geography and theatre arising from a shared dependence on the opposing impulses of taboo-laden closure and hubristic expansiveness.

## Looking at Shakespeare

A Visual History of Twentieth-Century Performance

DENNIS KENNEDY

This book describes the relationship between scenography and international Shakespeare performance in the twentieth century. Dennis Kennedy discovers how the visual element relates to the use of Shakespeare on the stage and how it conveys both textual meaning and cultural overtones.

£50.00 net HB 0 521 34655 X 408 pp.

## Othello

A Contextual History

VIRGINIA MASON VAUGHAN

This study is a major exercise in the historicisation of *Othello* in which the author examines contemporary writings and their influence on the text. Subsequent chapters analyse representations and interpretations from the Restoration to the present. *Othello* is revealed as part of a continuing cultural history.

## The Third Part of King Henry VI

Edited by MICHAEL HATTAWAY

In the *Third Part of King Henry VI*, Shakespeare contrasts Henry with his rival Edward IV to present a picture of the perils of aristocratic factionalism.
