

6 Good Reasons Why You Need **nature**

A personal subscription to *nature* enables you to keep in touch with the scientific community worldwide.

Every weekly issue gives you...

1. News and Views. Scientists everywhere turn to this section first for brief, often controversial, reviews of the most hotly debated areas of scientific research.

2. Cutting-Edge Research. *nature* covers the world, from the geometry of geomagnetic reversals to the structure of superconducting doped C₆₀... from new AIDS research to scientific developments in Eastern Europe.

3. Funding Updates. Every week, *nature* reviews major scientific projects and their funding — you are immediately informed about new opportunities whenever and wherever they occur.

4. Ground-Breaking Reports. Since 1869, *nature* has provided a forum where ground-breaking studies are announced. From Darwin and Huxley... to Brown and Goldstein, *nature* has maintained the standards that have established it worldwide as the foremost scientific journal.

5. Product & Book Reviews. Highly informative reports on the texts you should be looking at, and the supplies you should be thinking about buying... from lasers, to laboratory software, to peptides.

6. Up to 75% SAVINGS! Try 26 weeks of *nature* for just \$69. Or enter a 3-year subscription and get maximum savings — 75% OFF!

Your own personal subscription to *nature* gives you a competitive edge. PLUS, you get a *first* look at *nature*'s classifieds — the most complete international scientific job listing published.

Up to 75% OFF!

To enter your subscription — up to 75% OFF — just complete the coupon below, and mail to:

nature Subscription Dept. • P.O. Box 1733 • Riverton, NJ 08077-7333

(Rates: 26 weeks, \$69 • 1 year, \$135 • 2 years, \$220 • 3 years, \$295)
