

Corrigendum

The acceptability of a peer-led intervention to promote healthy dietary behaviours among adolescents in the school-setting: a qualitative investigation – CORRIGENDUM

L.D. Devine, A.J. Hill, S. Briggs, N. Muldoon and A.M. Gallagher

DOI: <https://doi.org/10.1017/S0029665123003270>, published by Cambridge University Press, 5 September 2023.

In the original publication of this article, S. Briggs' first initial and A.M. Gallagher's affiliation were incorrect.

The article has been updated to correct these errors.
