

UNIVERSITY OF TENNESSEE STUDIES IN GEOLOGY

Paleontological Society Short Course Notes

- Studies in Geology 3 - Echinoderms, Notes for a Short Course. Co-edited by T. W. Broadhead and J. A. Waters, 1980. 235 + iv p. \$6.00
- Studies in Geology 5 - Lophophorates, Notes for a Short Course Organized by J. T. Dutro, Jr. and R. S. Boardman. Edited by T. W. Broadhead, 1981. 253 + iv p. \$6.00
- Studies in Geology 6 - Foraminifera, Notes for a Short Course Organized by M. A. Buzas and B. K. Sen Gupta. Edited by T. W. Broadhead, 1982. 219 + iv p. \$6.00
- Studies in Geology 7 - Sponges and Spongiomorphs, Notes for a Short Course Organized by J. K. Rigby and C. W. Stearn. Edited by T. W. Broadhead, 1983. 220 + iv p. \$7.50

Note - increased printing costs will necessitate a rise in price for the Echinoderm, Lophophorate and Foraminifera notes when they are reprinted. All stocks on hand will continue to sell at the original \$6.00 price

Postage and handling for mail orders is \$1.50/copy for single copies and \$1.00/copy for any multiple or combination of copies.

Payment for Short Course Notes should be made to the Treasurer of the Paleontological Society and sent with the order to the Department of Geological Sciences, University of Tennessee, Knoxville, TN 37996-1410 USA.

Other Studies in Geology

- Studies in Geology 2 - Evolution and Macroscopic Structure of Valley and Ridge Thrust Belt, Tennessee and Virginia. By D. Roeder, O. E. Gilbert, Jr. and W. D. Witherspoon, 1978, 25 p., folio. \$7.00
- Studies in Geology 4 - Middle Ordovician Carbonate Shelf to Deep Water Basin Deposition in Southern Appalachians. Edited by K. R. Walker, T. W. Broadhead and F. B. Keller, 1980. 120 p. \$4.00

Postage and handling for mail orders is \$1.50/copy for single copies and \$1.00/copy for any multiple or combination of copies (including Short Course Notes, above).

Payment for Studies 2 or 4 should be made to the Department of Geological Sciences, University of Tennessee, Knoxville, TN 37996-1410 USA.
