# Politics and Privilege in a Mexican City

*Richard R. Fagen and William S. Tuohy.* Breaking with the dominant tradition of community political studies, the authors of this analysis of politics in Jalapa, the capital of Veracruz, ask not so much who governs as how the city is governed—for whose benefit and with what consequences for the institutions, social classes, and individuals involved. The study uses data from extensive interviews with local elites and a city-wide survey of citizens, as well as historical and documentary materials. \$8.50

## Atencingo

### The Politics of Agrarian Struggle in a Mexican Ejido

*David F. Ronfeldt.* This is a detailed political study, extending from the 1920's to 1969, of the ejido of Atencingo in Puebla, one of the largest and most productive agricultural cooperatives in Mexico. The author provides entirely new material on what peasant leaders, government authorities, and their varying allies can do when they have serious conflicts of interest over the implementation of agrarian reform and the exercise of political power. October. About \$10.00

# **Beyond the Dictionary in Spanish**

**A. BRYSON GERRARD**

***A handbook of everyday usage in Spain  
and Latin America***

Beyond the Dictionary in Spanish was published nearly twenty years ago to break new ground in the practical study of language by providing the English-speaker with a handy reference book which, as its name implies, would help its user to a mastery of the finer points of everyday Spanish usage. Now comes an entirely new and revised edition, which for the first time embraces Hispano-American usage as well (and for which the author spent nearly two years in the Americas researching). The user will find a much increased range of Spanish words, and once again there are those invaluable special vocabularies, and those ever useful lists of 'false friends': words in both Spanish and English which look so alike and which have such different meanings.

£2.10 264 pp

**CASSELL**

## **Government and Society in Colonial Peru The Intendant System 1784-1814**

**J. R. FISHER**

A study of administration by intendants, which traces their efforts to stimulate municipal life and government, to improve the condition of the Indians and to promote economic development. Mr. Fisher throws new light upon the increasing political and administrative instability between 1808 and 1814 and upon the application of the Constitution of Cádiz in the viceroyalty.

*Conference on Latin American History*  
certificate of award for Honourable Mention for the *Bolton Prize 1971*.

## CAMBRIDGE LATIN AMERICAN STUDIES

### 13. Bolivia: Land, Location, and Politics since 1825

J. VALERIE FIFER

Since the earliest days of independence Bolivia's foreign policy has been largely determined by geography. This study examines the related aspects of location, accessibility, exploitation, attempted colonization and boundary changes. It examines the political and economic geography of the country today. 'A useful reference book which will save hours of work for those who attempt to interpret present trends in Bolivia.'

*New Society*

15 maps, 21 plates £7.80 net

### 14. A Guide to the Historical Geography of New Spain

PETER GERHARD

A detailed description of each of the 129 *alcaldias mayores* from 1521-1821. Covers physical and climatic features, ecclesiastical and political jurisdictions, population and settlements, and sources.

143 maps £14.60 net

## NOTES FOR CONTRIBUTORS

Contributions are invited from all parts of the world. Articles should generally not be more than 8,000 words long, and two copies, typed with double-spacing, should be submitted. Diagrams and maps may be included by arrangement with the editors. The journal is published in English, but articles written in other languages will be considered, and arrangements made as required for translation into English. Contributors should keep one copy of the typescript for use in correcting proofs.

All contributions and editorial correspondence should be addressed to *Journal of Latin American Studies*, Institute of Latin American Studies, 31 Tavistock Square, London, WC1H 9HA.

Each contributor will receive, free of charge, 25 offprints of his article and a copy of the issue of the journal in which it appears.
