ERRATUM

There is an error in the previous issue of *Radiocarbon*, in the article by Billet et al. (*Radiocarbon* 48[1]:61–68). The mistake is in the equation on page 66. The equation is incorrectly given as

$$\delta^{13}C\ (\text{‰}) = (^{13}C/^{12}C)_{\text{Sample}} - (^{13}C/^{12}C)_{\text{VPDB}} \times 1000\ (^{13}C/^{12}C)_{\text{VPDB}}$$

The correct equation is

$$\delta^{13}C = \frac{(^{13}C/^{12}C)_{\text{Sample}} - (^{13}C/^{12}C)_{\text{VPDB}}}{(^{13}C/^{12}C)_{\text{VPDB}}} \times 1000$$

We regret this error.
