

As Chair of the CAEP Research Committee, it is my pleasure to introduce the dedicated team of volunteers who made CAEP's 2016/17 Grant and Abstract Competitions such a huge success. With their support, we were able to grow the annual CAEP research competitions, which included 33 grant applications and a record 335 abstract submissions. We could not have achieved this without the support of our volunteers and our generous EM Advancement Fund (EMAF) donors.

Sincerely,
 Jeff Perry, MD, MSc
