DOI: <https://doi.org/10.1017/S0954579423000159>, Published by Cambridge University Press, 01 March 2023

This article was originally published with a spelling error in the title. The correct title is “The mediating role of sleep in the longitudinal associations between peer victimization and internalizing symptoms: A cross-lagged panel analysis”. This has now been corrected in the article and this corrigendum published.
