**Information for Contributors**

Complete information for contributors is available in the *Business Ethics Quarterly* section of the Society for Business Ethics website ([www.businessethicsquarterly.org](http://www.businessethicsquarterly.org)). Please consult this information prior to submitting a manuscript.

Manuscripts should be submitted electronically at <http://editorialexpress.com/beq>. Authors who do not have Internet access should contact the managing editor regarding alternative submission formats:

Dr. Elizabeth D. Scott, Managing Editor  
*Business Ethics Quarterly*  
Department of Business Administration  
Eastern Connecticut State University  
Willimantic CT 06226 USA  
Tel. +1.860.465.5366.

Manuscripts should be double-spaced and not exceed 12,000 words. Manuscripts must conform to either the *Chicago Manual of Style*, the *Academy of Management Review Style Guide for Authors* (<http://aom.pace.edu/AMR/style.html>), or *The Bluebook: A Uniform System of Citation*. Tables of data, listings of hypotheses, and mathematical or other formulae in empirical manuscripts should follow the *Academy of Management Journal Style Guide for Authors* ([http://aom.pace.edu/amjnew/style\\_guide.html](http://aom.pace.edu/amjnew/style_guide.html)) with regard to such features. Manuscripts must not be under consideration elsewhere, and must not have been previously published. *BEQ* encourages authors to use non-sexist language. Please see the *BEQ* website for additional important information for contributors.

Manuscripts will be reviewed initially by one of the editors for style, format, topical appropriateness vis-à-vis business ethics, and scholarly (as opposed to journalistic) orientation. Manuscripts that pass this initial review will then be double-blind reviewed by at least two reviewers. Every attempt will be made to notify authors of the status of their manuscripts within three months of submission.

Authors should provide an abstract for each article (maximum of 150 words).

Authors will receive proofs for the correction of typographical errors and minor changes prior to publication. Shortly after publication of a manuscript, the author will receive a complimentary copy of that issue of *BEQ*.
