CHANGE OF EDITORSHIP

Please see page 66 and the Instructions to Authors on the inside back cover for details of new editorial arrangements which apply with immediate effect.

EDITORIAL POLICY

ASTIN BULLETIN started in 1958 as a journal providing an outlet for actuarial studies in non-life insurance. Since then a well-established non-life methodology did result, which is also applicable to other fields of insurance. For that reason ASTIN BULLETIN will publish papers written from any quantitative point of view—whether actuarial, econometric, engineering, mathematical, statistical, etc.—attacking theoretic and applied problems in any field, faced with elements of insurance and risk.

ASTIN BULLETIN appears twice a year. Each issue consisting of about 80 pages.

MEMBERSHIP

ASTIN is a section of the International Actuarial Association (IAA). Membership is open automatically to all IAA members and under certain conditions to non-members also. Applications for membership can be made through the National Correspondent or, in the case of countries not represented by a national correspondent, through a member of the Committee of ASTIN.

Members receive ASTIN BULLETIN free of charge.
