

The American Political Science Association's 86th Annual Meeting

Take advantage of our special low preregistration rates and register now for what promises to be a stellar meeting. As past meeting attendees know, preregistration greatly facilitates receipt of your program, badge and badge cover at the meeting. And don't forget that those appearing on panels at the Annual Meeting must preregister by June 1, 1990 in order for their name to appear in the Final Program.

The 1990 APSA Meeting, which will be held from August 30 through September 2, 1990 in San Francisco, California, will focus on democratization on a global scale and feature the traditional sections representing the major subfields of political science.
