SUBSCRIPTION REQUESTS/CHANGES

Individuals requesting subscriptions, or wishing to change/correct their current address, are requested to do so via our www site:

<http://www.microscopy-today.com>

MICROSCOPY TODAY HAS NEW SUBSCRIPTION POLICIES

- We have redefined the "free to US" rule by adding microscopists in Canada and Mexico to the free eligibility list.
- We have lowered our non-member, outside North America, subscription rate for the printed magazine from \$80-\$110 to \$35US per year—a sum that just covers postage and handling!
- We have scanned back issues of MT into computer files, which we now make available for low-resolution free download, [www site above](http://www.mt.com), after a six-month delay. The entire issues are downloaded—advertisements and all.
- High resolution, CD format, complete volumes are available via airmail for the prices listed below. Note that a volume contains 6 issue for 2002 onwards and 10 issues for 1992 to 2001. Contact editor to order.

Preferred payment is via credit card information when subscribing at the same [www](http://www.mt.com) address. Bank transfer information available from editor. Checks in US\$, payable to "Microscopy Today," to the editor.
